EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The applicant's arguments, see amendment filed, filed 9/29/2005, with respect to Hilton et al. (5,452,416) have been fully considered and are persuasive.

The closest prior art by Hilton et al. does not explicitly disclose a method, medical informatics system, or computer readable medium comprising a plurality of instructions, which when executed, causing the computer to perform controlling display of medical images that includes "displaying a plurality of thumbnail size medical images on a control panel, where the control panel displays a first navigation rectangle surrounding a first set of thumbnail size medical images, the first set comprising at least one thumbnail size medical image, and displaying on a first display, at least one medical image that corresponds to the first set of thumbnail size medical images; displaying, on the control panel, a second navigation rectangle that encompasses a second set of thumbnail size medical images including at least one of said thumbnail size medical images displayed; and displaying, on a second display, at least one medical image that corresponds to the second set of thumbnail size medical images".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
